

Here's what some of our Grand Rapids clients have to say about using Keeping Tracks Pet Sitting:

"Bridget goes beyond our needs to provide quality and essential pet sitting. She eagerly responds to be of service all the time. There are times when we need immediate care and she is always available. If she not, she will make herself available." "Deacon (dog) and I are very ecstatic about having Bridget in our lives. Our level of satisfaction is beyond your wildest imagination. No words can tell you enough how grateful we are to have her in our lives." ~Jodi, Grand Rapids

"I am so glad that we found Keeping Tracks! After our cat Monte had a VERY bad boarding stay at a veterinarian's office, we knew we had to find a better way to have him cared for during our vacations. We found the awesome people at Keeping Tracks and have never looked back. Monte has a history of UTI's and is on a very specific diet, and is sometimes on medication. Whatever the situation, we always feel comfortable leaving our furry child in the care of Bridget & her lovely family." ~Amanda, Jenison

"Keeping Tracks Pet Sitting Service gives us peace of mind. Living in West Michigan I was aware of the many choices that are available to people who vacation but cannot take their pets along. With previous dogs we had used a boarding kennel, but we were not satisfied with the care or attention. I knew that I wanted a responsible company that would come into my home. I found Keeping Tracks on-line and have been very very happy with Bridget. I appreciated the extensive first interview in our home. She was informative and answered all my questions. We have a 7 year old Cavalier King Charles Spaniel and an elderly cat. We have Keeping Tracks come first thing in the morning when we are on vacation. She takes our dog outside then feeds him breakfast. Our cat also gets a little attention, along with fresh food and water. Later in the morning our son is home to handle the rest of the day. We highly recommend Keeping Tracks and very much appreciate their services." ~Deb, Wyoming

"I have never been so happy to have such a wonderful person care for my Dog when I am away. I am worry-free, because I know she is in good hands. Keeping Tracks Pet Sitting is very friendly, professional and really cares about our dog, Abbey. Bridget goes the extra mile." ~Sandie, Walker

"A couple of comments about Keeping Tracks and Bridget Postema: Over the last two years we have been using the services of Keeping Tracks. Our dogs have adopted a new extended family in the Postema's. Bridget is very thorough and accommodating to our pets. We get daily updates while we are gone that reassure us that all is well and the dogs are having fun and getting lots of exercise. We have referred friends and family to Keeping Tracks and hear only great reports. We may not have pets with **special** needs but all owners think their pets are **special** in some way. This is our **special** thanks to Bridget and her family for doing such a wonderful job of making our family vacations more relaxing. All the best." ~Tim, Christina, Roscoe and Abby, Hudsonville
